Relay For Life is a fun-filled event designed to celebrate survivorship and raise money to help the American Cancer Society save lives, help those who have been touched by cancer, and empower individuals to fight back against this disease. During the event our team takes turns walking or running laps.

Join us by dedicating as little as 20 - 30 minutes of your time to walk or run a lap or two. Please complete the information form and a member of our team will contact you to confirm your participation. If you are unable to join us in body, join us in spirit with your prayers. Also, please consider helping us financially with a donation. The donation total will be proudly given to the **American Cancer Society as The Vic Vandewater Memorial Donation**, in dedication to Vic's many years supporting, organizing, and raising funds for the Relay for Life.
